Deliverables 9/2/2009

Copy of Presentation 1 (Electronic)
Copy of Abstract/Proposal (Paper and Electronic)

Elements of your Abstract/Proposal

A type written sheet of paper containing the following:

State the intended user.

State the name(s) of the developer(s).

State the intended development environment.

Write a narrative description of the project.

State the name of your mentor faculty member.

The project description should be between $\frac{1}{2}$ and 1 page in length.

Your Powerpoint presentation should essentially be the same information as your Abstract presented in a professional manner.
