Senior Project
Deliverables 10/21/09

A Poster Board

Go and buy a “Science Fair” poster board. It has three panels and is about 3 feet high.

Create a display on the board describing your project. These will be on display at WVU Tech open house.

You may want to think about: What does the project do? / Purpose of the Project.

Project Abstract

- You can display user interface.

- You can display sample outcome.

- You can use photographs of hardware
